

Recreation:

Trends, Impacts, and Solutions for the West Fork Carson Watershed

Tuesday, March 9, 5:30-7:00 p.m.

Alpine Watershed Group's next virtual stakeholder meeting is part of the **West Fork Carson River Vision Project** process led by the Lahontan Regional Water Quality Control Board.

We will be hearing presentations on **recreation-related issues** in the West Fork Carson River watershed. Join us to hear about where we are headed with these issues, especially in terms of COVID-19-related recreation trends, and what we can do to mitigate them.

We will be using Zoom, so you can tune in from either your computer or your phone. **Please register in advance by [clicking here](#).**
